

BAY AREA NIGHT GAME

This sign is part of a treasure hunt being held on **Sunday, February 19**. Please don't remove it!
We'll come take it down after the event.

helpdesk:

President Bush has written an email, but his keyboard has been wired to produce the wrong letters. Sometimes two of his letter keys even produce the same letter! Here's the keyboard he *thinks* he's typing on:

Try to label the President's keyboard correctly.
